

# Case Study: Create Team Charter

## Team: Scorpion

### Team charter

<b>Values</b> Trust Playing as a team Transparency Growth mindset Commitment	<b>Communication guidelines</b> Chat group GitHub organization Weekly meetings Email	<b>Meeting guidelines</b> Agenda for each meeting No meeting outside working hours Announce 2 days before meeting	<b>Conflict resolution process</b> Discuss the issue Brainstorming Vote for the solution
<b>Fun events</b> Celebrate achievements Outings for ice breaking Break for fun	<b>Norms</b> A leader for each sprint No hidden agendas Treat each other with respect	<b>Decision-making process</b> Decision is taken by the majority Last decision is taken by the team leader	

### Steps:

- Worked on each point alone
- Brainstorming and discussing

### Members involved:

Team members
